## ADVANTAGES

We take pride in our excellent customer service, building relationships, and bringing on talented team members who are among the best in their fields. Our executive coaching teams and training teams are well diversified in Curriculum Development and hold certifications from the International Coaching Federation, the Center for Creative Learning and/ or the World Institute of Action Learning. Each team member is very passionate about what they deliver in individual or team coaching environments. Our team has unmatched skills, knowledge and years of coaching experience in the federal as well as corporate spaces. In addition to having coach specific training, they have backgrounds in Organizational Development, Organizational Psychology, Change Management, Individual Leadership Development and Team Coaching solutions. Many team members serve on the faculty of prestigious colleges and universities and are sought after by executives in a wide range of organizations and industries.
