

## Sukari Pinnock, PCC

Sukari Pinnock fits is an organization development (OD) consultant and executive coach with a solid background in systems change, strategic planning, and diversity and inclusion management. She has been a human relations trainer for over 10 years, specializing in cultural competency and emotional intelligence.

She takes a client-centered approach to each coaching relationship which is designed to uncover possibilities as opposed to solving problems. She has coaching certifications from both the ICF and the Georgetown University and a Masters in Organization Development from the American University. Many of her clients have been executives within the federal or municipal government and have taken place either face-to face or by telephone.
